1. Please provide a summary of your proposed product development concept, why you think it is a market opportunity, and who is the target customer (food service, retail, online, etc.)?

2. What potential benefit will this new product deliver for your business?

3. What are the proposed activities and deliverables for this project and who will do the work?
(Attach quote if available)

Activity/Deliverable	Cost (excluding tax)

4. If this project is successful, what additional steps are required before you can launch your product?

5. If this project is successful, when do you expect to launch this product?

If desired, please provide any additional information regarding the proposed project.

I understand that the detailed information provided on this application form and all supporting documents are being collected to support the vetting of applications for funding eligibility by the Food Island Partnership's Evaluation Committee which includes ex-officio representation from both Fisheries and Oceans Canada and the PEI provincial government.

I acknowledge that our company is in good standing with the federal and provincial departments of fisheries and aquaculture including that there are no relevant legal actions before the court, tribunal, government board or agency, including fines, charges suspensions or conviction under the Fisheries Act.

I acknowledge that the names of successful applicants, the amount of funding approved, and a brief description of the project may be included in public records and disclosed on government websites in accordance with the government's proactive disclosure practices.

I consent to the use of the information for determining funding approval, policy analysis, research and/or evaluation, promotion and communication of relevant government programs.

The information provided in this application is, to the best of my knowledge and ability, complete, true and correct.

Signature of Authorized Official	Date
Print Name of Authorized Official	Title

Please submit the completed application form to tyson@foodislandpei.ca. Any questions can also be forwarded by email or phone at 902-628-7998.

The PEI Oyster & Mussel Product Development Program is an initiative coordinated by Food Island Partnership through the funding support of Fisheries & Oceans Canada, ACOA, and Innovation PEI.
